

ATTENTION CARD USERS

Customers are requested to observe the following precautions while using the ATM machines:

1. Please lock the ATM cabin while you are inside for your safety.
2. Choose the ATMs having sufficient lighting arrangements. ATMs without proper lighting should be avoided.
3. Please check that no unusual / suspicious object is attached or installed on or nearby ATM; especially on card entering slot or the keypad. Do not use the ATM machine if you are not sure and inform immediately to us by picking our helpline phone installed at ATM booth.
4. While entering the PIN please hide the keypad of ATM machine by extending the palm of the idle hand. If you sense that someone is trying to view your transaction processing; immediately cancel the transaction and leave.
5. Please protect and do not divulge your PIN to anybody. No one even from the bank staff is authorized to ask your PIN; in case if the ATM machine eats your card, contact the branch / concerned bank immediately.
6. Do not forget to take transaction slip along with the cash after the transaction is complete.
7. Inform the concerned bank if the ATM card has been lost or stolen as soon as possible.

Sincerely
(BANK MANAGEMENT)
