SUMMIT BANK GENERATOR PARTS RATE SHEET

S.#	Description	Rates For Perkins										Rates For John Deere								Rates For Cummins								Caterpilar	
	Generators	13 KVA	20 KVA	30 KVA	40 KVA	60 KVA	80KVA	100 KVA	150 KVA	250 KVA	350 KVA	13 KVA	20 KVA	30 KVA	40 KVA	60 KVA	80 KVA	100 KVA	220 KVA	13 KVA	20 KVA	30 KVA	40 KVA	60 KVA	80 KVA	100 KVA	1130 KVA	1200 KVA	750 KVA
1	Self Starting Motor Repairing																												
2	Self Starting Motor Recondition																												
3	Self Starting Motor New																												
4	Dynamo Charger Repairing																												
5	Dynamo Charger Recondition																												
6	Dynamo Charger New																												
7	Water Pump Repairing																												
8	Water Pump Recondition																												
9	Water Pump New																												
10	Water Pump Gen																												
11	Fuel Injection Pump Repairing																												
12	Fuel Injection Pump Recondition																												
13	Nozzles/Injector Service Calibration																												
14	Fuel Nozzles/ Injector New Each																												
15	Repairing of Turbo																												
16	Turbo Kit Assembly Complete																												
17	Turbo Kit Assembly Half																												
18	Turbo Pipes																												
19	Fuel Return Pipe Injectors																												
20	Fuel Main Supply Pipes																												
21	Head Water Cups																												
22	Silencer Flexible Pipe 4"																												
23	Silencer Flexible Pipe 6"																												
24	Silencer Flexible Pipe 8"																												
25	Silencer Repairing Work/Welding																												
26	Radiator Core																												
27	Radiator Fan																												
28	Radiator Mounting Pair																												

S.#	Description	Rates For Perkins										Rates For John Deere								Rates For Cummins								Caterpilar	
	Generators	13 KVA	20 KVA	30 KVA	40 KVA	60 KVA	80KVA	100 KVA	150 KVA	250 KVA	350 KVA	13 KVA	20 KVA	30 KVA	40 KVA	60 KVA	80 KVA	100 KVA	220 KVA	13 KVA	20 KVA	30 KVA	40 KVA	60 KVA	80 KVA	100 KVA	1130 KVA	1200 KVA	750 KVA
29	Radiator Fan Belt																												
30	Radiator Hose Pipe Upper																												
31	Radiator Hose Pipe Lower																												
32	Radiator Tank Upper																												
33	Radiator Tank Lower																												
34	Radiator Cap New																												
35	Jubilee Clamps 4"																												
36	Jubilee Clamps 6"																												
37	Fuel Lefty Pump mechanical																												
38	Hand Fuel Lefty (Delphi)																												
39	Fuel No Return Valve																												
40	Battery Terminal Pair																												
41	Battery Leads Per Mtrs																												
42	New Battery																												
43	Head Gas Kit																												
44	Main Oil Seal																												
45	Rear Seal																												
46	Engine Mounting																												
47	DG Set Wairing DC Complete																												
48	Rediator D Scaling																												
49	Repairing of Canopy																												
50	New Canopy																												
51	New ATS Panel																												

S.#	Description	Rates For Perkins										Rates For John Deere								Rates For Cummins								Caterpilar	
	Generators	13 KVA	20 KVA	30 KVA	40 KVA	60 KVA	80KVA	100 KVA	150 KVA	250 KVA	350 KVA	13 KVA	20 KVA	30 KVA	40 KVA	60 KVA	80 KVA	100 KVA	220 KVA	13 KVA	20 KVA	30 KVA	40 KVA	60 KVA	80 KVA	100 KVA	1130 KVA	1200 KVA	750 KVA
52	Repairing of ATS Panel																												
53	Repairing of Deisel Tank																												
54	New Deisel Tank																												
55	Complete Engine Over Hauling																												
	Electrical																												
1	Engine Oil 15w/40 Per Liter																												
2	Coolant Water																												
3	Hour Counter																												
4	Amp Meter																												
5	Volt Meter																												
6	RMP Meter																												
7	AVR Card (Local)																												
8	ECM Card																												
9	Actuator Governor Card																												
10	MPU Sensor																												
11	Cam Sensor																												
12	Thortal Sensor																												
13	UVT Relay																												
14	Battery Static Charger 12 V																												
15	Battery Static Charger 24 V																												
16	Timer AC 220V 8Pins																												
17	Timer DC 12V 8Pins																												
18	Relay AC 220V 8Pins																												
19	Relay DC 12 V 8Pins																												
20	Magnetic Contactor 40Amp																												
21	Magnetic Contactor 60Amp																												
22	Magnetic Contactor 80Amp																												
23	Magnetic Contactor 90Amp																												
24	Magnetic Contactor 110Amp
